## **Regency Beauty Institute Security Information**

### **Annual Disclosure of Crime Statistics**

Each year Regency Beauty Institute (“Regency”) prepares a security report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report is located on Regency’s website at [www.regencybeauty.com/security/](http://www.regencybeauty.com/security/). This report is prepared by Regency personnel in cooperation with local law enforcement agencies in those areas where its campuses are located. Campus crime, arrest and referral statistics include those reported to Regency administration, campus managers and local law enforcement agencies.

Regency gives notification to each student and employee regarding how to access its report on crime statistics. Prospective employees may obtain printed copies of the report by requesting it from the Regency Human Resources Department at Regency’s Headquarters location. Prospective students may obtain printed copies of the report by requesting it from a campus manager. Information on where to obtain this report is also included in Regency’s employment application.

### **Reporting Crimes**

Regency encourages its students, employees, guests and other community members to report crimes or potential crimes which occur on or near Regency campuses.

In case of an emergency, you should dial 9-1-1 immediately.

In the case of a non-emergency, students should notify their campus manager of the crime. The campus manager will then report it to Regency’s headquarters administration via the ticketing system.

Regency does not currently have a confidential crime reporting procedure. Further, Regency does not have a process in which pastoral or professional counselors can report crimes anonymously.

### **Access to Campus Facilities**

Regency’s campuses are accessible to students and the general public during the hours of approximately 9 AM to 9 PM Monday through Thursday and 9 AM to 5 PM on Fridays and Saturdays. Outside of these hours, Regency’s campuses are secured by an alarm system and are accessible only to those with security permissions.

Regency does not have campus living facilities.

Regency does not have campus security personnel or employ a campus police force.

### **Criminal Activity Related to Off-Campus Functions**

Regency does not offer off-campus functions or sponsor any off-campus organizations.

### **Campus Sex Crimes Prevention Act**

The Federal Campus Sex Crimes Prevention Act requires institutions of higher learning to issue a statement in their annual security report detailing where members of their campus community can obtain information concerning registered sex offenders. Students at Regency Beauty Institute may obtain such information through the National Sex Offender Public website at <http://www.fbi.gov/hq/cid/cac/registry.htm>

### Drug and Alcohol Free School Policy

Regency embraces the spirit of the public law that requires schools to provide a drug-free campus and workplace. As part of our philosophy, we are dedicated to the advancement and well-being of the population we serve. The use and abuse of alcohol and other drugs can lead to physical and psychological health risks. These risks depend upon the type of drug used and the intensity of the use. Long-term use of drugs can lead to organic damage to the body and psychological problems. And even short-term use carries a risk of an overdose that can result in effects as serious as death. Drug and alcohol use also carries other direct and indirect health risks, including a heightened risk of blood transmitted disease for users of intravenous drugs, the risk of pregnancy complications and birth defects in women who use drugs or alcohol while pregnant, and the impairment of the ability to operate motor vehicles. As such, all students and employees are encouraged to abstain from the use of illegal drugs and irresponsible use of alcohol.

Students are prohibited from the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance or alcohol anywhere on Regency property including grounds, parking areas, anywhere within the buildings or while participating in school-related activities. Students are also prohibited from being present on campus under the influence of alcohol or controlled substances. Students who violate this policy will be subject to disciplinary action up to and including termination of enrollment. If there is a reasonable suspicion that a student of Regency is under the influence of alcohol or a controlled substance while on Regency’s premises, the student will be required to clock out for the days and asked to leave. In all cases, Regency will abide by local, state, and federal sanctions regarding unlawful possession of drugs and the consumption of alcohol, including the full enforcement of applicable underage drinking laws.

Any student who suspects they or someone else may be at risk is

invited to seek services that can be of help. Regency maintains drug and alcohol education information and a list of counseling and support services, including local services, which can be obtained from the campus manager.

Any students convicted of possessing or selling illegal drugs while receiving Title IV assistance will be ineligible for FSA funds based on the following chart:

	<b>Possession of illegal drugs</b>	<b>Sale of illegal drugs</b> <i>(includes convictions for conspiring to sell illegal drugs)</i>
<b>1st offense</b>	1 year from date of conviction	2 years from date of conviction
<b>2nd offense</b>	2 years from date of conviction	Indefinite period
<b>3+ offenses</b>	Indefinite period	Indefinite period

*\*Note: if convicted of both possessing and selling illegal drugs and the periods of ineligibility are different, the longer penalty will apply. In addition, violations of federal, state, or local laws and ordinances concerning drugs and alcohol can lead to felony or misdemeanor convictions and legal sanctions, which include but are not limited to: fines, imprisonment, forfeiture of property, and loss of driving privileges. A description of federal penalties for drug violations can be found at <http://www.justice.gov/dea/agency/penalties.htm>.*

### Crime Prevention Programs

Regency is engaged in the Cut it Out program, a program of the Salons Against Domestic Abuse Fund dedicated to mobilizing salon professionals and others to fight domestic abuse across the United States. The program builds awareness of domestic abuse and trains salon professionals to recognize warning signs and safely refer clients to local resources. Regency has joined forces with Cut it Out and the National Cosmetology Association to educate communities about domestic abuse.

Regency campuses provide clients with information on preventing domestic violence. Campus staff explain the Cut it Out informational materials to students, and discuss the program’s focus on awareness and information sharing – not intervention or interrogation. Furthermore, individual campuses work with local domestic violence prevention organizations to gain additional understanding of the issue.

## Emergency Response and Evacuation Procedures

Should a significant emergency or dangerous situation arise that may impact the health or safety of students and/or employees located on the campuses, students and staff are advised to do the following:

- Exit the building in the case of a fire; follow campus signage for exit locations
- Seek shelter in the event of a tornado; follow campus signage for shelter locations
- Follow directive of campus staff for all other situations.

If a situation arises before students arrive to campus, campus staff (Campus Managers and/or Educators) will attempt to notify students by telephone to advise accordingly. Signs will be placed at the front entrance of the campus building if classes are cancelled.

Regency has a process where, should an emergency or dangerous situation arise, campus staff (Campus Managers and/or Educators) contacts an Area Manager, the Vice President of Campus Operations or the Senior Vice President of Campus Operations to develop and implement a response plan in the impacted campus(es). Regency staff will take into account the safety of the student community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency situation.

Tests of the emergency response and evaluation procedures will be conducted annually; such tests may be announced or unannounced.
